THE SEASON OF HARVEST, BLESSINGS
AND THE BREAKING OF EVERY CURSE

READ: Deuteronomy 28

V1-3; 1 Chronicles 4v9, 10:

Blessing is a condition or ordination God bestows upon your life which causes good things to be attracted to you. Today pray the prayer of Jabez, also asking God to put an anointing upon you that attracts good things and repels evil.

 Think on Psalms 23v5,6.

V3; Joshua 1v2:

What are the blessings peculiar to the city? Think on this and make strategic requests to God for the things of blessing you would like the city to yield to you. Cities are places of concentration of people, political power, wealth and facilities. Claim the blessing of a harvest of many souls. Ask God to give you wisdom to possess the vast wealth and resources, including land, value, housing and facilities being generated in the city, political authority etc....

 Think on Joshua 6v16.

Dance! Shout a shout of faith and celebration that God has given you the city and its people, wealth, resources and facilities.
