THE SEASON OF HARVEST, BLESSINGS
AND THE BREAKING OF EVERY CURSE

READ: Deuteronomy 28.

V1-3; Psalm 23:

Blessing is a conditioning or ordination which God bestows upon your life which causes you to possess, become and experience every good thing He promises in His Word.

Pray for the blessings of Psalm 23 - His shepherding, abundance, revival, His presence, protection and deliverance from evil, mercy and the coming of every good thing to your life.

V3; Joel 2v21-27:

What are the blessings peculiar to the field (village, farm or countryside)?

Think on this and make request to the Lord for the blessings you would like the field to yield to you. The countryside is a place of natural resources - agricultural produce, fruit, raw materials, minerals, livestock, animals, etc., apart of course from the souls you need to win to Christ. Pray for the field to yield its abundance to you.
