The Season Of Harvest,
Blessing And Breaking Every Curse.

READ: Deuteronomy 28

● **V1, 2 ; Romans 8v14:**

In order to possess His promised blessings, the Lord admonishes you to listen to or hearken to His VOICE. Apart from the written, spoken and preached Word of God, to which you need to hearken, hearing or taking heed to the VOICE of the Lord your God means receiving from Him through His voice in your personal inner man or spirit. These promptings or leadings of the Spirit of God are a key to great abundance of miraculous blessings.

● **V1, 2; John 10v27; Isaiah 30v21:**

God assures you of His voice which you will hear unto prosperity.

Pray now asking for His voice to lead you into Divine prosperity.
