**T**HE SEASON OF HARVEST, BLESSINGS  
AND THE BREAKING OF EVERY CURSE

**READ:** Deuteronomy 28

**V1-3; 1 Chronicles 4v9, 10:**

Blessing is a condition or ordination upon your life from God which causes good things promised by God to come to your life. Today pray the prayer of Jabez, beseeching God for blessing in all things, and protection from all evil. God is waiting to grant the prayer of the righteous.

 Think on John 16v24.

**V3:**

As you pray the prayer of faith for blessing upon your life, God wants you to believe Him for the UNIVERSAL LOCATION OF BLESSING. This simply means you must believe that God's blessings upon your life will not depend on or be hindered by where you are, or what circumstances you are confronted with. In the city or in the village -everywhere - blessings will come upon you and overtake you. Pray affirming the universal presence of God's blessing upon your life.

 Think on Matthew 28v20.
